Dear

The Parke House Academy is holding its annual silent/live auction on Friday, October 28th 2011 at The Hard Rock Hotel located at Universal Studios. This year's theme will be a costume party. We welcome families and friends the opportunity to bid on many wonderful items.

Every year, we depend on local businesses like you to support our fundraising effort by making a tax-deductible donation of a product or gift certificate. Proceeds from this event are used to enhance our students' educational environment and to promote technological advancement in the classroom.

The Parke House Academy is a private educational academy that offers an accelerated academic curriculum for children between pre-school and sixth grade. The school is 15 years old, and our diverse and committed students have already distinguished themselves nationwide for their academic accomplishments. Our Parent Teacher Committee, a not-for-profit organization hosting this year's fundraiser, strongly believes in The Parke House Academy. We are eager to see the school continue to grow so that we can continue to provide more top quality educational options for our children. All profits from this event will be used to enhance this special learning environment.

In addition, by donating to The Parke House Academy, you are also exposing your business to hundreds of affluent potential customers. Your donation will be listed in the evening's event program and the auction bid sheets.

Please join our efforts this year in making our event a success. Thank you for your consideration.
